### EFFICIENCY

Malahide by Spartanics Presses are all electric power efficient machines.

### SIMPLICITY

Designed for ease of use. Operator training is minimal.

### DEPENDABILITY

Our Hot Stamping Presses are durable and mechanically designed for real world applications.

## POPULAR UPGRADE OPTIONS

### ▶ 36" RIBBON PULL

The base E2-TR comes with a 1" - 24" ribbon pull. This upgrade can increase the ribbon pull to 36" of ribbon.

### ▶ SPEED OPTIMIZATION

When equipped with the speed upgrade, the E2-TR can run at speeds of up to 7,200 impressions per hour.
